LE PAVILLON DE LA REINE

P A R I S

For Parisians at heart everywhere, a hotel in the heart of Paris.

Pavillon de la Reine Hotel & Spa is owned and run by the Chevalier family, who also own *Pavillon des Lettres* and *Hotel du Petit Moulin*. The hotel has 56 individually designed rooms and suites, with all the charm, sophistication and elegance of a *grand palace*. This is a haven in the heart of the Marais, set back from the Place des Vosges, the oldest square in Paris: the ivy-covered building is set behind a private courtyard garden awash with roses.

The Marais is lively and trendy, and full of wonderful boutiques, galleries, fascinating museums, atmospheric cafés and restaurants. The hotel is a quiet, sophisticated hideaway – private, comfortable and deeply luxurious.
